

# DREAM OF A LIFETIME: ATLANTIC CROSSING

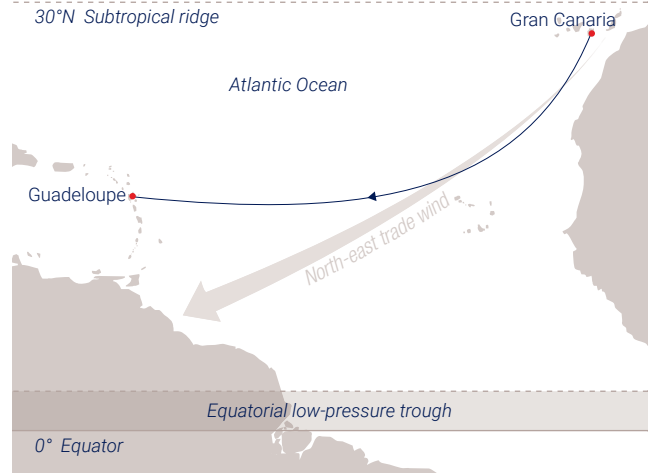

**A sailing adventure with all comfort on the spacious SEA CLOUD II**

**Pure freedom and variety:** the inspiring transatlantic adventure on the SEA CLOUD II. **Sailing on Columbus' route:** perfect conditions under the trade winds. **Switch off and enjoy:** Exchange your everyday routine for relaxation and indulgence. **Expert knowledge at first hand:** A top lecturer provides insights into his subject.

## What is so fascinating about a transatlantic voyage?

Say goodbye to everyday stress: On an Atlantic crossing you alone set the pace. Whether you want to sleep in or greet the sunrise early on deck, whether you want to relax or be active, only you decide depending on your mood. Even though the SEA CLOUD II is a genuine windjammer, first and foremost her focus lies on providing pure comfort throughout your cruise. With her spacious decks and tastefully furnished cabins, she offers plenty of room for seclusion. You want to browse in the library? Work out in the fitness area? Talk shop with our lecturers? There is never a dull moment. And a true highlight is the Atlantic christening ceremony with a visit from Neptune himself.

The perfect way to slow down: Underneath full sails, the trade winds will take you on an inside journey and let you experience unique sailing moments in harmony with nature. Thanks to the steady winds, it is often possible to sail even at night. It will never be boring on board a windjammer, for the sailing yacht itself becomes the most beautiful destination on the Atlantic crossing.
