CRUISES

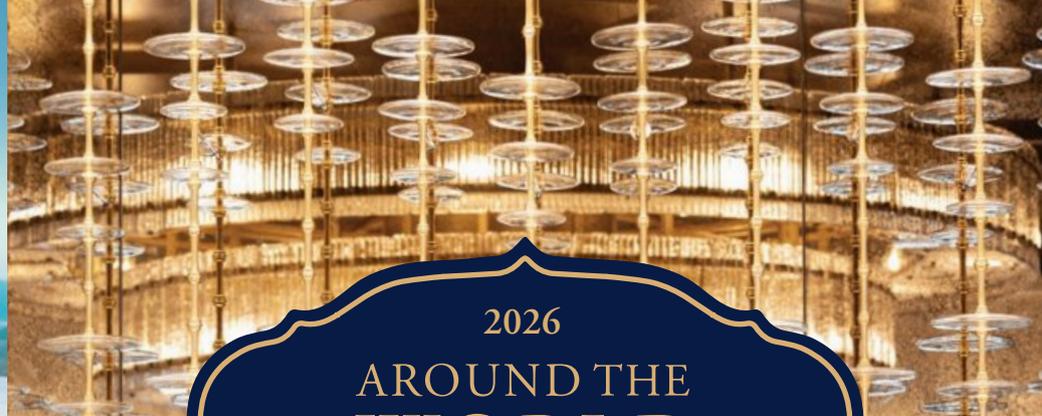

An aerial photograph of a tropical bay, likely in Southeast Asia, featuring dramatic limestone karsts covered in lush green vegetation. The water is a vibrant turquoise color. Several small boats are visible on the water, and a small pier or dock is situated near the base of one of the larger islands. The sky is overcast with soft, diffused light.

MID-CRUISE OVERLAND PROGRAMMES

As the 2026 Overland Programmes are currently being meticulously designed to offer you immersive, unforgettable adventures around the world, here is a selection of Mid-Cruise Overland Programmes emblematic of the dozens of uniquely curated experiences that will be offered.

ARGENTINA

Thundering Iguazú Falls

Iguazú translates to “Big Water” in the indigenous Guaraní language, but even that generous description of the falls is a gross understatement. Iguazú Falls is a force to be reckoned with, a monstrous cascade that thunders down with such frightening power and intensity that it seems to be alive. Even the most gushing superlatives fail to capture its dramatic beauty, especially at the ungodly Devil’s Throat, the largest cascade.

INDONESIA

Joyous Java

Become immersed in Java’s history and culture through experiences that divulge the island’s true nature. The impact of Hinduism and Buddhism comes to light at the temple complexes of Prambanan and Borobudur, respectively. Both architectural treasures are enlightening UNESCO World Heritage sites. A rare opportunity to watch a revered, almost spiritual kris dagger being made sheds additional light on the Javanese way of life. A train ride from the royal city of Yogyakarta brings you to sprawling Surabaya, where Arabic Square reveals the roots of Islam in Indonesia.

EGYPT

Jewels of Luxor

Explore a litany of fabled tombs in ancient Egypt’s royal burial grounds, beginning with the Karnak and Luxor temples, which a three-kilometre avenue lined with small sphinxes once connected. King Tut’s tomb still remains the most famous, as it held fabulous riches when excavated. His mummy is displayed there in a climate-controlled glass box. Queen Nefertari’s tomb nearby is renowned for its colourful wall paintings that have defied the ravages of time. Cruising the Nile in a traditional dahabiya boat allows time to reflect on the sights.

ICELAND

Inspirational Iceland

Witness nature’s drama in the Land of Fire and Ice, a moniker that reflects Iceland’s volcanic forces and glacial wonders. Stand atop the rim of Grabrok Crater and behold the lava fields that a past eruption left in its wake. View one roaring waterfall after another, ranging from remote Dynjandi – the largest cascade in the Westfjords – to Gianni, a petite waterfall where elves and trolls supposedly live. Still, the ultimate experience is riding in a monster snow truck through the manmade ice tunnel that cuts through Langjokull Glacier.

INDIA

Taj Mahal: The Eternal Masterpiece

One of the best-known structures in the world, Agra’s fabled Taj Mahal will awe your senses and capture your heart. Considered to be the finest example of Mughal architecture, the Taj Mahal is a glistening mass of white marble and semiprecious stones set amidst impeccably landscaped grounds. Witness how the sunlight alters the hues of this magnificent mausoleum, and also observe other icons of Mughal architecture and dance.

UNITED ARAB EMIRATES

Arabian Desert Extravaganza

Explore the dry, barren landscape of the Arabian Desert that belies the wonders of life that flourish there. A drive through the rippling red sands of the Al Wadi Nature Reserve reveals its haunting natural beauty and perhaps herds of gazelles. At night, the sky becomes an inky canvas of brilliant constellations for exquisite stargazing. Cruising the fjords of the Musandam Peninsula – the Norway of Arabia – and a definitive drive through Dubai are sure to shatter any lingering assumptions you may have had about desert life.

SPAIN

Ode to Andalusia

A plethora of UNESCO World Heritage sites distinguishes this Andalusian adventure. In Granada alone, there is the Moorish-influenced Alhambra, Generalife palace and the Albaicín neighbourhood. UNESCO also recognised the prehistoric dolmens monuments in medieval Antequera and the extraordinary architecture throughout the historical district of Cordoba, such as the Great Mosque and the landmark Jewish Quarter. An inspired tasting of regional wines, tapas-style dining, an emotionally moving flamenco performance and free time to mingle with the local residents adds a deeper understanding.

Please visit [OceaniaCruises.com](https://www.OceaniaCruises.com) for confirmed programme offerings; dates and descriptions will be added as Overland Programme details become available.

THE FINEST CUISINE AT SEA®

Sailing around the globe offers the chance to taste some of the finest cuisines in the world, and on *Vista*, The Finest Cuisine at Sea® takes on a newly irresistible appeal to provide unforgettable dining experiences on board as well. A sweeping array of menu options has been inspired by our two resident French Master Chefs at the helm, Eric Barale and Alexis Quaretti. They've worked side by side with the legendary Master Chef Jacques Pépin, our Executive Culinary Director, for the past 20 years. From dozens of new flavourful dishes at The Grand Dining Room and classics with a modern twist at Ember to the fresh, balanced selections at Aquamar Kitchen and regional specialities at Terrace Café, the options are nearly endless. A voyage of this scope is an invitation to celebrate world cuisines, so a special lineup of events will create unique opportunities to sample delicious local fare. Enjoy mouthwatering asado dishes and South American favourites while sailing the coast of Argentina or savour a lively Polynesian night as you cruise the South Pacific.

THE GRAND DINING ROOM

Continental dishes, Aquamar Vitality Cuisine, a wide spectrum of global flavours and the Executive Chef's Tasting Menu are served in an ambience evoking a sophisticated European hotel's finest chandelier-studded restaurant.

The Grand Dining Room

Red Ginger

POLO GRILL

Discover the ultimate steakhouse experience. Each course stands as the very definition of a time-honoured favourite, most notably the USDA-certified Black Angus steaks, dry aged for a minimum of 40 days. Succulent seafood dishes are also classics in their own right.

RED GINGER

Red Ginger radiates harmony, reflecting both the boldness and subtleties of its Pan-Asian dishes. The Thai, Korean, Japanese and other Asian specialities are a *mélange* of savoury and sweet that will please virtually any palate.

EMBER

The diverse menu showcases traditional American classics brought to life with fresh, seasonal ingredients and a modern twist, while the atmosphere reflects the effortlessly laid-back nature of a family-run Sonoma tasting room.

Ember

TOSCANA

Savour tempting Tuscan cuisine in a truly Italian setting. Presented on opulent, custom-designed Versace china, an extensive array of new, masterfully prepared dishes exemplifies the essence of Tuscany and celebrates Italy's culinary passion.

Terrace Café

TERRACE CAFÉ

Terrace Café welcomes you to informal dining at breakfast, lunch and dinner. At breakfast, choose from a diverse selection of savoury and sweet temptations. Come lunch, internationally inspired dishes are complemented by flavourful rotisserie meats. In the evening, enjoy a wide array of items, including grilled-to-order lobster tails, fish, steaks and hand-cut sushi as well as our Chef's Market Dinners featuring locally inspired specialities from our ports of call.

AQUAMAR KITCHEN

A bright and airy ambience evoking an endless Mediterranean summer is paired with mindfully prepared breakfast selections such as energy bowls and avocado toast, and dozens of tempting, balanced dishes during lunch like yellowfin tacos and a crunchy chicken sandwich, as well as always-available cold-pressed raw juices and refreshing smoothies.

BARISTAS

This delightful coffee bar is a favourite stop for coffee aficionados. Enjoy complimentary espressos, cappuccinos and lattes prepared by our baristas, as well as delicious pastries, finger sandwiches and homemade biscotti.

Fresh from the Bakery

The enticing aroma of freshly baked pastries draws guests from Baristas to the Bakery just steps away. The perfect complement to your coffee might just be a French or Italian speciality fresh from the oven.

WAVES GRILL

Located in a shaded area steps from the pool, Waves Grill offers all-American favourites like gourmet burgers and sandwiches during lunch and late into the afternoon. For dessert, try a hand-dipped milkshake or one of the whimsical ice cream flavours by Humphry Slocombe.

The Pizzeria at Waves Grill

Each evening as if by culinary alchemy, Waves Grill is transformed into an authentic Neapolitan trattoria with the pizza oven at the epicentre. Savour delectable pizza creations along with dry-rubbed chicken wings, lush burrata and more.

Horizons

HORIZONS

Teatime is a celebratory daily event that draws guests to Horizons at four o'clock sharp. A classical string quartet plays softly in the background as our staff glides through the room presenting four-tiered pastry carts overflowing with freshly made finger sandwiches, colourful petits fours, scones and wonderfully sinful desserts. Of course, a selection of fine teas is the centrepiece of this treasured afternoon pastime.

PERFECT PAIRINGS

There's simply no substitute for great food, wine and laughter. Whether you're a connoisseur or a complete novice, our wine pairing experiences are indulgent, fun and memorable. Choose from a range of inspired pairing experiences, such as sommelier-led pairing lunches, a one-of-a-kind six-course Champagne dinner and more.

PRIVÉE

Our marquee venue for intimate culinary celebrations, Privée may be reserved for the evening for parties of up to eight privileged guests. Choose from two distinctive menus to create an unforgettable evening in an exclusive, custom-designed setting.

MIXOLOGY & COCKTAIL *experiences*

Oceania Cruises not only serves The Finest Cuisine at Sea® but also now has a mixology series to match that invites you to discover new, exciting cocktails and immersive mixology experiences throughout the ship. A bountiful cellar of low- and no-sugar wines as well as flavourful and refreshing zero-proof cocktails are also on hand. ENTERTAINMENT *evolved*

Whether you gravitate toward the glamour of the Monte Carlo-inspired Casino or prefer to ensconce yourself in the luxurious surroundings of the Vista Lounge for an innovative production show, intriguing cabaret or sophisticated comedian, evenings are sure to amaze. Entertainment that both captivates and inspires demands a kaleidoscope of talent orchestrated into something truly magical. Aboard Vista, that curated confluence achieves enchantment that matches the grand nature of this odyssey. From comic relief to world-class musical performances, the options for entertainment aboard Vista are endless. Celebrate your journey with an exuberant deck soirée, relish the classical serenity of a string quartet with an aperitif in hand or sing along with a lively pianist in Martinis. The world is yours for the taking.

Ranging from tribute-style productions to dynamic dance-centric spectacles such as *Into the Night*, a special lineup of showstopping performances awaits.

MUSIC & ENTERTAINMENT

This world cruise features a unique programme of musicians and entertainers to ensure that your interests are constantly piqued. When the curtain opens, guest entertainers treat you to riveting performances – think Broadway stars, world-class comedians, Las Vegas headliners, classical instrumentalists, gravity-defying jugglers, charismatic cocktail pianists and more.

CASINO

Unwind from a day ashore by playing your favourite games in our chic Monte Carlo-style casino. Choose from an exciting range of ways to play, from card and table games such as blackjack and roulette to slot machines. The staff is happy to provide lessons on how games are played, the rules and proper table procedures.
