# Hidden gem Exumas and the Sunshine State Florida:

Secluded bays, picturesque anchorages, and divine snorkeling spots around protected reefs: The Exumas should be a tourist hub. But the archipelago has remained exclusive. Most of the paradise islands are uninhabited and can only be reached by yacht.

Under the Florida sun, the American way of life shows its brightest smile: The Southern State is a dazzling personality, on one hand presenting itself as urbane and chic – like Miami with its art galleries and Art Deco buildings – and on the other as casual as in Hemingway's Key West.

Miami – Miami Mar 29 to Apr 07, 2026 9 nights SCS-2610

Miami/Florida/USA - Day under full sails - Eleuthera/Bahamas - Exumas/Bahamas (overnight) with special event - 2 days under full sails - Key West/Florida - Day under full sails - Miami/Florida/USA

**Special:** "White Night at the Beach" in an exclusive beach club — enjoy the sunset barefoot on the beach with cocktails to the sounds of a steel band on the Exumas.
